

# CODEx SUPPLEMENT: IMPERIAL FISTS

## Indomitus Version 1.0

These documents collect amendments to the rules and present our responses to players' frequently asked questions. Often these amendments are updates necessitated by new releases or community feedback; these can be identified by the presence of an asterisk before the page reference. At other times, these amendments are errata designed to correct mistakes or add clarity to a rule that is not as clear as it might be.

As they're revised regularly, each of these documents has a version number; where a version number has a letter, e.g. 1.1a, this means it has had a local amendment, only in that language, to clarify a translation issue or other minor correction. When a document is revised, the version number will be incremented and new updates will be highlighted in **blue**, while new errata and FAQs will be highlighted in **magenta**.

## IMPERIUM NIHILUS: VIGILUS DEFIANT UPDATES & ERRATA

Since the release of *Imperium Nihilus: Vigilus Defiant*, a number of the rules presented there have been superseded by those found in *Codex Supplement: Imperial Fists*, and others require updating so that they interact correctly with new rules presented in *Codex Supplement: Imperial Fists*. This has necessitated the following changes to *Imperium Nihilus: Vigilus Defiant*:

### ERRATA

**Pages 179** – Imperial Fists Siegebreaker Cohort

Add the following text to this page:

'If you have created your army using the additional rules found in *Codex Supplement: Imperial Fists*, you cannot select The Eye of Hypnoth Relic, or the Indomitable Warlord Trait from this Specialist Detachment. They are replaced with a new Relic and a new Warlord Trait with the same names in *Codex Supplement: Imperial Fists*.'

**Page 179** – Stratagems, Seismic Devastation

Change the last sentence to read:

'Each time you roll an unmodified wound roll of a 6 for an attack made by that unit that targets an enemy **VEHICLE** that phase, that attack inflicts a mortal wound in addition to its normal damage.'

### FAQs

**Q:** Can an Imperial Fists successor Chapter use the Imperial Fists Siegebreaker Cohort Specialist Detachment Stratagem?

**A:** No. This Stratagem is not an Imperial Fists Stratagem.
